NOTICE OF INTENT TO FILE APPLICATION)	
FOR RATE ADJUSTMENT BY KENTUCKY-AMERICAN)	CASE NO. 10481
WATER COMPANY)	

O R D E R

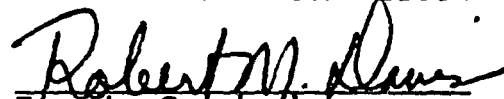

On November 30, 1988, Kentucky-American Water Company ("Kentucky-American") filed a Notice of Intent to file a rate application and requested Commission approval to advise Spears Water District and Lexington-South Elkhorn Water District by mail of the proposed rate increase in lieu of advertising for three consecutive weeks in the Jessamine Journal. The request will be treated as a Motion.

Kentucky-American does not directly serve any residential customers in Jessamine County. However, it does serve the two water districts. 807 KAR 5:011, Section 8, provides the methods a utility may use to notify its customers. Although direct mailing of notice is not specifically included, it meets the intent of the regulation in this particular situation. Therefore, pursuant to 807 KAR 5:011, Section 14, a deviation is granted for this case.

IT IS THEREFORE ORDERED that the Motion be and it hereby is granted.

Done at Frankfort, Kentucky, this 21st day of December, 1988.
